

ARMIDA

SIGNATURE SKIN CARE COLLECTION

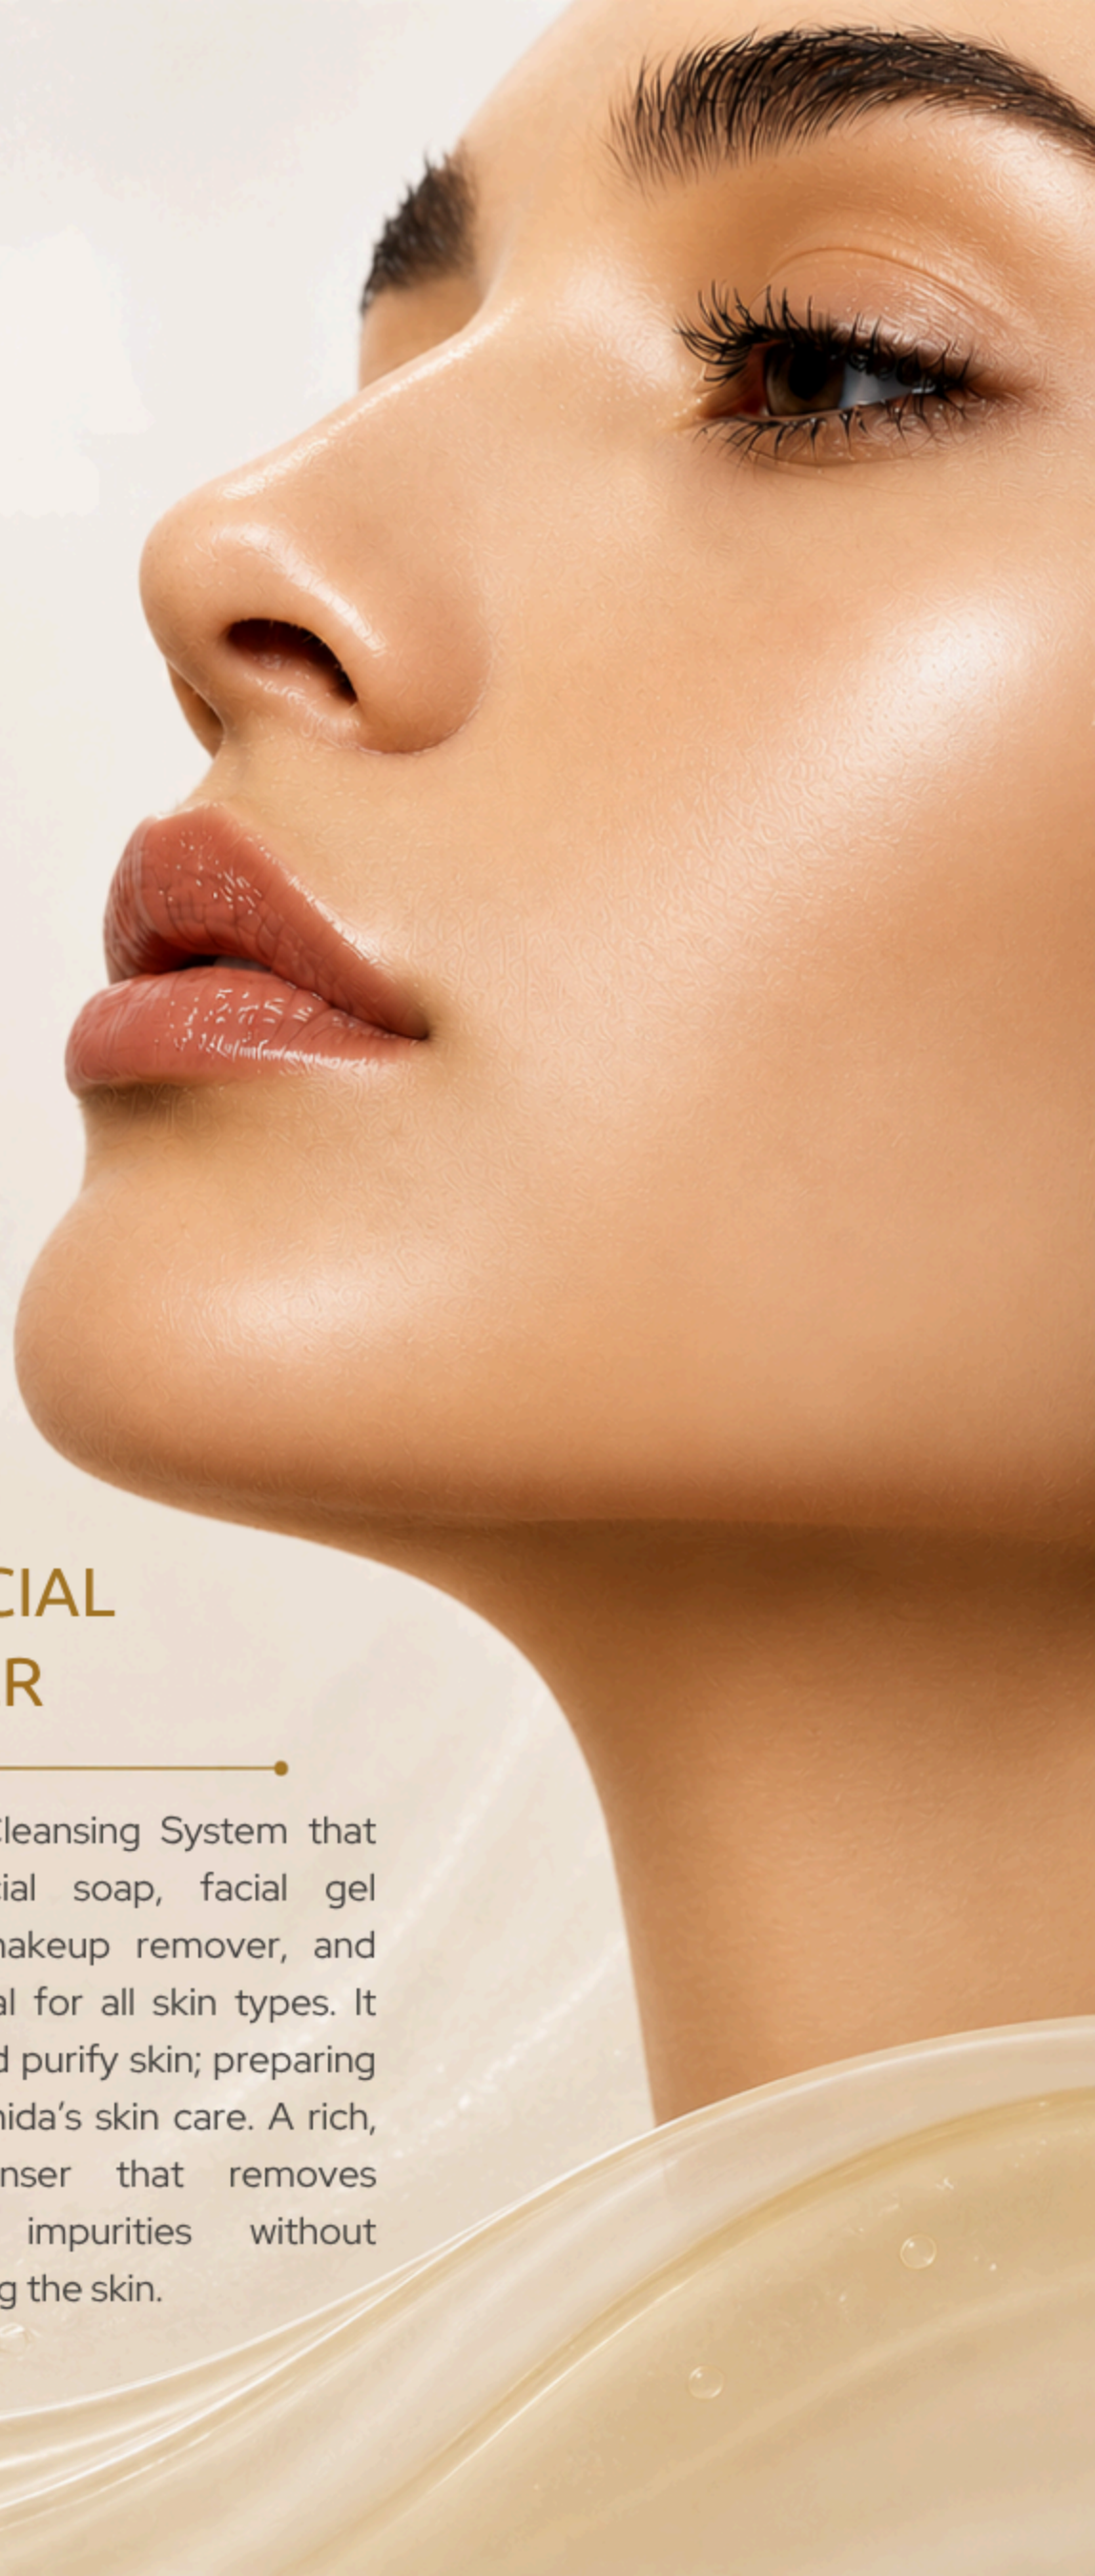

This exclusive collection is designed to rejuvenate your skin naturally.

Our proprietary formulas enriched with antioxidants, invigorate your skin with the vitamins and minerals essential to its protection. Nourish, soothe and pamper yourself daily without harsh chemicals for younger and healthier skin with our unique skincare line.

MILD FACIAL CLEANSER

A Formulated Cleansing System that replaces a facial soap, facial gel cleanser, eye makeup remover, and scrub mask. Ideal for all skin types. It may detoxify and purify skin; preparing it to receive Armida's skin care. A rich, nourishing cleanser that removes makeup and impurities without stripping or drying the skin.

CLARIFYING TONER

A unique wrinkle removing toner that uses Alpha & Beta Hydroxy Acids to lift skin damage caused by sun, age spots, wrinkles, uneven skin tones, large pores and environmental aggressors.

A deep cleansing toner that removes final traces of make up, dirt and impurities after cleansing, leaving the skin refreshed and prepared for moisturization.

EYE REPAIR SERUM

A repairing cream that stimulates the growth of healthy tissue, prevents the signs of premature aging and diminishes the signs of fine lines and wrinkles. It moisturizes the delicate area around the eyes and helps regenerate the skin.

REJUVENATING DAY CREAM

A cream that improves skin complexion, helps you regain the silky texture of your skin and shows your natural glow. With number 30 sunscreen, this treatment protects your skin from harmful UV rays exposure, it helps to keep the skin moisturized and healthy throughout the day.

REJUVENATING NIGHT CREAM

A regenerating cream with antioxidants, that nourishes and helps prevent aging while you sleep, creating firmer, brighter, smoother and younger looking skin.
