

Breast FEEDING Week

#LIVINGWELLTV

✓ Our MISSION

To ensure **every woman** in the world feels good, comfortable, and confident during **her lactation period**, and is a **happy mom** for her family.

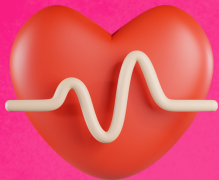

TIPS TO BOOST *your self-esteem* while **breastfeeding** or at *any time in life*

1. Sing or listen to **your favorite music**.

2. Do things that **bring you** peace and mental joy.

3. Take care of **your body** by maintaining a healthy diet and doing at least **20 minutes** of movement each day.

We can help you
take care of your
body with our
2STEP
system
