

WHAT DOES IT MEAN TO AGE WELL?

A photograph of an elderly couple. The woman, on the left, has shoulder-length blonde hair and is wearing a light blue cardigan over a blue shirt. She is smiling warmly at the camera. The man, on the right, has short grey hair and is wearing a light blue polo shirt. He is resting his chin on his hand and looking towards the camera with a gentle smile. The background is a bright, out-of-focus interior space with a bookshelf visible on the right.

**WHEN WE TALK
OF “AGING”, WE
OFTEN PICTURE
SOMETHING
LIKE THIS.**

A young man and woman are embracing outdoors. The man is shirtless, muscular, and smiling broadly. The woman is wearing a white top and blue jeans, also smiling and hugging him from behind. They are positioned on the left side of the frame. The background is a bright blue sky with scattered white clouds. On the right side, there is a large, stylized graphic of overlapping green and yellow waves or hills.

**BUT AGING
ALSO LOOKS
LIKE THIS.**

**THEY LOOK
LIKE THEY'RE
AGING TOO.**

**AND AGING
ALSO LOOKS
LIKE THIS.**

THIS IS WHAT “AGING” REALLY LOOKS LIKE.

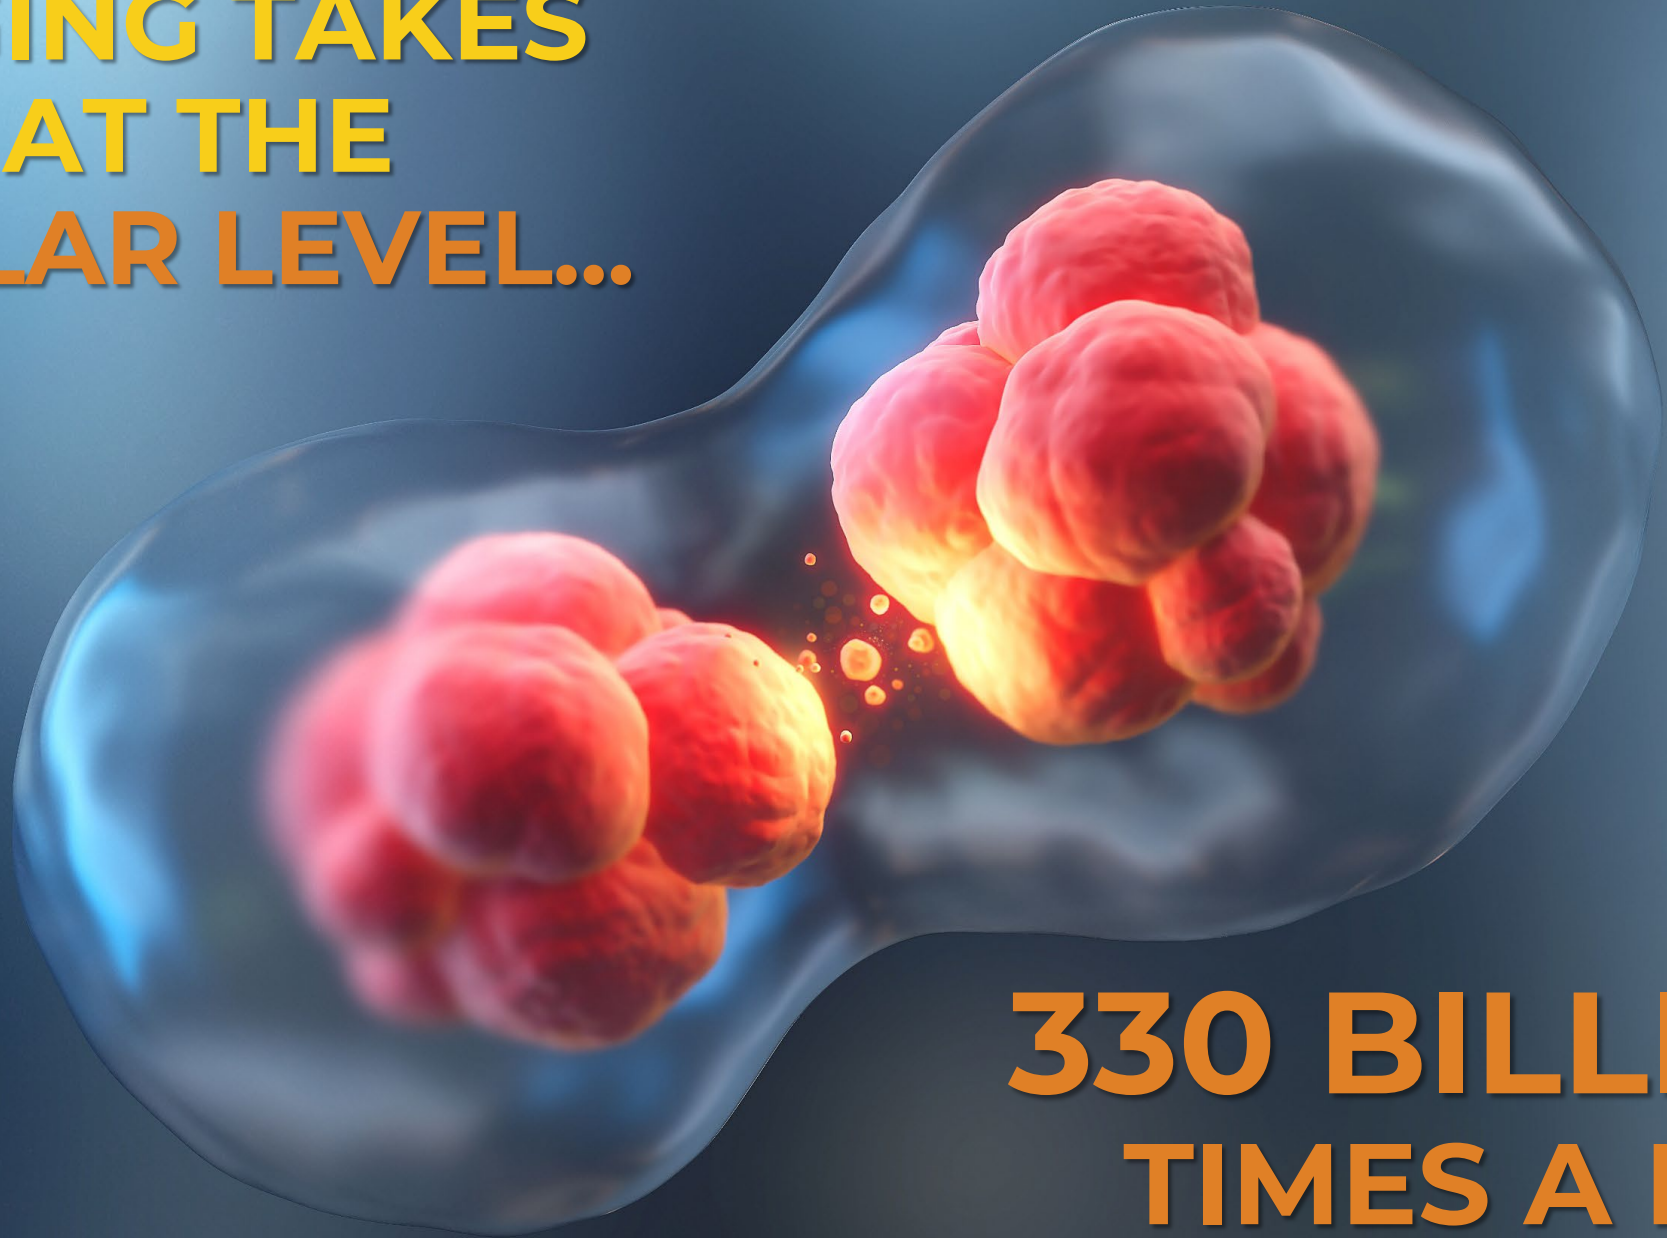

IT DOESN'T MATTER HOW OLD YOU ARE...

An hourglass is shown in the foreground, tilted so that dark, fine-grained sand is falling from the top bulb into the bottom bulb. The sand is captured in mid-fall, creating a small cloud of particles. The hourglass is made of clear glass and sits on a dark, textured surface. The background is a soft, out-of-focus blur of warm, brownish tones.
