

IMPORTANT ANNOUNCEMENT: PAYMENT METHODS FOR THE AMBASSADORS PROGRAM

In order to protect your earnings and avoid high banking fees, we have established two official payment methods for commissions in the Ambassadors Program:

- **For the United States (USA):** Venmo & Zelle
- **For international payments:** PayPal

This decision was made because traditional bank transfers incur the following fees:

✓ **USA:** \$30 USD

✓ **International:** \$45 USD

By using Venmo, Zelle or PayPal, we'll be working with a faster, safer option with zero or minimal commission costs for you.

Please make sure to update your payment method and enter the corresponding information in your account so we can process it without delays.
