

Rejuvenating Day Cream

DAILY HYDRATION • UV PROTECTION • YOUTHFUL GLOW

Reveal smoother, healthier-looking skin every day.

Our Rejuvenating Day Cream™ is an advanced moisturizing treatment designed to improve skin complexion, restore softness, and reveal your skin's natural glow. Formulated with powerful anti-aging ingredients and SPF 30 protection, this luxurious cream helps defend the skin against harmful UV rays while keeping it hydrated, nourished, and radiant throughout the day.

Its lightweight yet deeply moisturizing formula helps smooth the appearance of fine lines and wrinkles while promoting firmer, healthier-looking skin with every application.

ARMIDA
SIGNATURE SKIN CARE COLLECTION

MEET THE STAR INGREDIENTS

GREEN TEA LEAF EXTRACT

Rich in antioxidants and polyphenols that help improve skin appearance, fight environmental damage, and support healthy-looking skin.

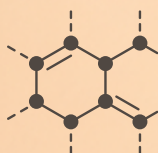

ARGIRELINE® PEPTIDE

Known as a powerful anti-aging peptide that helps reduce the appearance of wrinkles and expression lines for a smoother look.

RESVERATROL

A potent antioxidant that helps protect collagen and defend the skin against free radical damage.

TETRAPEPTIDE-21

Helps support collagen production, improve elasticity, and reduce skin roughness.

SODIUM HYALURONATE & HYDROLYZED SILK

A deeply hydrating blend that helps plump, smooth, and moisturize the skin.

HYDROGENATED POLYDECENE

Provides exceptional moisturizing properties while promoting softness and silky texture.

WHAT WILL REJUVENATING DAY CREAM™ DO FOR YOU?

- Improves skin complexion
- Provides SPF 30 UV protection
- Deeply hydrates & moisturizes
- Helps reduce the appearance of fine lines
- Supports firmer, youthful-looking skin
- Creates a silky-smooth finish

HOW TO APPLY

- I Apply generously to clean skin every morning using upward circular motions on the face and neck.
- II Avoid direct contact with eyes.
- III For best results, use daily as part of your complete skincare routine.
