

SHIELD™

**Immune Defense
& Cellular Protection**

HOW CAN SHIELD™

**HELP YOU STRENGTHEN YOUR
DEFENSES EVERY DAY?**

SHIELD™ combines a powerful blend of vitamins, minerals, and natural extracts designed to strengthen the immune system and support respiratory health. With zinc, vitamin C, elderberry, ginseng, and functional mushrooms, it helps protect cells from oxidative stress, ease cold symptoms, and promote energy and overall wellness.

STRONG IMMUNITY

Strengthens the immune system and helps prevent common infections.

RESPIRATORY SUPPORT

Supports respiratory health and relieves cold or flu symptoms.

NATURAL ENERGY

Ginseng and B vitamins help maintain daily vitality.

ANTIOXIDANT PROTECTION

Vitamin C and elderberry protect cells from oxidative stress.

Part of the ArdyssLife Defense System – Strengthen your immunity from within.

SHIELD™ acts as a protective shield for your body, delivering essential vitamins and antioxidants that work together to keep your immune system strong and active.
