Power Start – Rules Summary:

- Time begins when a distributor enrolls.
- GQP and active distributor requirements must be met within the same qualifying month.
- An active distributor requires a minimum monthly purchase of 150 qualification points.
- GQP is split 60% from one leg (maximum 40% from each sales rank).
- On-Time bonuses are paid when goals are achieved within the specified time window; Off-Time bonuses are paid at 50%.
- If multiple Power Start goals are achieved in the same month, a maximum of **three (3) goals** will be paid. Remaining goals may be paid upon requalification.
- The 100% Matching Bonus applies only while the sponsor remains at or above the enrollee’s Power Start goal.
