

TRIMMING GEL

ENHANCE YOUR FIGURE • SUPPORT YOUR RESULTS

The Trimming Gel is a refreshing formula designed to help improve the appearance of the abdomen, arms, and legs, especially when used together with Ardysswear shaping garments such as Body Magic.

It contains Aloe Vera and Chinese herbal extracts that help hydrate and soothe the skin while providing a gentle firming sensation.

Its lightweight, fast-absorbing texture applies easily, leaving a pleasant fragrance while helping you achieve a smoother and more refined silhouette.

WHAT BENEFITS DOES TRIMMING GEL BRING?

SCULPTING RESULTS

Helps support the appearance of a more contoured silhouette when combined with reshaping garments.

TARGETS AREAS WITH FAT

Helps improve the appearance of areas such as the abdomen, arms, and legs.

FIRMING EFFECT

Provides a toning and refreshing sensation that helps improve the appearance of the skin.

SKIN HYDRATION

Aloe Vera helps hydrate and soothe the skin.

LIGHTWEIGHT FORMULA

Absorbs quickly and comfortably into the skin.

KEY BENEFITS

The Trimming Gel works as the perfect complement to your reshaping garments, helping prepare the skin and supporting the appearance of a more sculpted and defined silhouette.

When used together with garments such as Body Magic, the gel helps enhance the appearance of a slimmer waist and smoother body contours, supporting areas where adipose tissue tends to accumulate.
